

DECEMBER 2009

It'll soon be Christmas folks! So just a quick reminder to those that are going along to the panto this year that we need to meet up by 2pm (December 12th) ready for curtain up at 2.30.

Very soon there will be a new calendar for 2010 on the club website

www.northdevontkd.co.uk please keep an eye on it. As usual it will show all the upcoming events, competitions, gradings and Black Belt training days.

Last week's grading was a resounding success with 100% pass rate!! Well done to you all and a **big** thank you also to Mr Bell & Mr Tate for all their hard work in helping to prepare everyone once again.

Special congratulations to Martika for getting a grading award on her first grading!

Another well done to the group that braved the weather and went along to compete, spectate and officiate at the recent British Championships held this year in Cardiff. A great effort was made by everyone involved!

* For those that didn't know, Bideford College, as of July 2010, will be relocating. During July-October no evening users will be able to use the old or even the new college whilst they transfer and settle into their new home.

For that reason Bideford classes will be relocating early to avoid any disappointment. As of January 2010 we will be using the following venues so please don't get confused and turn up at the college as you will be there on your own!

Every **Monday** 6.30pm starting 4th January SAINT MARGARETS JUNIOR SCHOOL NORTHAM EX39 1EL

Every **Thursday** 6.30pm starting 7th January WEST CROFT JUNIOR SCHOOL BIDEFORD EX39 3DE

Please treat these new venues with as much respect as you have all done to the college

Wishing you all a very Merry Christmas
